Hi Changsoo Park,

The mission of Tehaleh Owners Association and the purpose of the community standards is to protect the aesthetic appeal and property values of your neighborhood. As a homeowner, you're an important piece of the puzzle.

We, your Tehaleh Community Life team, know keeping your neighborhood beautiful is important to you, too, which is why we encourage open communication about potential compliance concerns. If you have any questions, or if this letter has reached you in error, please reach out to us at tehaleh@coherelife.com or call (253) 666-4515

Inspection Date (if available):

Landscape - Water - 3(C. iii.) Water to maintain optimum soil moisture and green grass, while utilizing methods which minimize the amount of water required. During local watering restrictions, lawns may be allowed to go dormant as long as restrictions are in place.

Tehaleh may have observed a temporary situation that you have already taken care of — but if you haven't, please remedy this compliance item by 07/28/2026.

No fine is being assessed with this Courtesy Notice. However, if the condition continues or is repeated, the Association may assess fines or take other enforcement action. Visit hellotehaleh.com to check Tehaleh's noncompliance fine schedule.

We appreciate your quick attention to this compliance concern.

Yours in partnership,

Tehaleh
